

Greentech Innovators: Kuwait Youth in STEM 2025-2026

Participant Contract and Statement of Commitment

Introduction:

As a participant in the Greentech Innovators: Kuwait Youth in STEM 2025-2026 event, sponsored by bp and powered by IDRAK, each student is required to acknowledge and accept this Participant Contract and Statement of Commitment by clicking "Continue" on the registration page. This document reflects the participant's dedication to the values, objectives, and expectations of the event, ensuring a positive and enriching experience for all involved.

1. Active Participation:

- I commit to actively participating in all scheduled activities, including the webinar, in-person gathering, project execution, and final presentation.
- I understand that my full engagement is essential for my team's success and my personal growth.

2. Team Collaboration:

- I commit to working collaboratively and respectfully with my teammates, contributing my skills and knowledge to the best of my ability.
- Teamwork is a core value of Greentech Innovators: Kuwait Youth in STEM, and I will support my peers in achieving our collective goals.

3. Adherence to Deadlines:

- I commit to meeting all deadlines, including registration, submission of project idea, and project milestones.
- Adhering to timelines is crucial for the smooth operation of the event and the success of my team.

4. Ethical Conduct:

- I commit to maintaining the highest standards of integrity and ethical conduct throughout the event.
- This includes honesty in my work, respect for others, and compliance with all rules and guidelines set forth by IDRAK and bp.

5. Continuous Learning:

- I commit to embracing the learning opportunities presented during the event, including workshops, networking events, and mentoring sessions.
- I will approach each activity with an open mind and a willingness to expand my knowledge and skills.

6. Respect for Diversity:

- I commit to respecting the diversity of opinions, backgrounds, and experiences of all participants, mentors, and organizers.
- A diverse and inclusive environment enhances the learning experience for everyone involved.

7. Professionalism:

- I commit to conducting myself in a professional manner at all times, whether in person, online, or in communication with sponsors, mentors, and fellow participants.
- My behavior reflects not only on myself but also on the Greentech Innovators: Kuwait Youth in STEM project as a whole.

8. Commitment to Excellence:

- I commit to striving for excellence in all tasks and challenges presented during the project.
- I will take initiative, seek out feedback, and continuously improve my contributions to my team and the broader project.

9. Attendance:

- I commit to attending all mandatory sessions and events as outlined in the Greentech Innovators timeline.
- In case of any unforeseen circumstances that might affect my participation, I will promptly inform the event organizers.

10. Completion of the Program:

- I commit to seeing the Greentech Innovators: Kuwait Youth in STEM project through to its conclusion, including participating in the closing ceremony.
- Celebrating the journey, reflecting on the experience, and acknowledging achievements are vital components of the event.

11. Accuracy of Information:

- I confirm that all the information I provided during registration is accurate and corresponds exactly with my legal documents.

- Any discrepancies or inaccuracies may affect my eligibility to participate in the event.

12. Sportsmanship and Healthy Competition:

- I commit to upholding the principles of sportsmanship throughout the event.
- I will engage in healthy competition, show respect to all teams, and refrain from teasing, taunting, or undermining the spirit of friendly competition.

13. Media Release:

- I understand that the Greentech Innovators: Kuwait Youth in STEM 2025-2026 project will be documented through photographs, videos, and other media.
- By registering, I grant IDRAK and bp permission to use any footage or images of me for marketing and promotional purposes.

14. Project Guidelines:

- Attempting to gain unfair advantage or cheat in any form will lead to immediate disqualification.
- Qualifying Teams can include 2 to 5 members.
- Team members are expected to remain within the event venue for the duration of the final competition.
- The organizing committee is not responsible for any personal belongings.

Acknowledgment and Signature:

By clicking on the registration page, I acknowledge that I have read and understood the terms outlined in this Participant Contract and Statement of Commitment, and agree to comply with all expectations and guidelines listed above.
